What did you think about your language travel?

- The school is located in the center of Beijing, like the hotel, and (it) gives us access to ~~the~~ all Beijing. The teachers are kind and teach us well, the level is really correct and increases every week; and the lunch is good.
- The hotel is near the school, and easy to find; this access is really simple with the subway, the bus and the taxi; the breakfast and dinner are quite good, and the room too. The connection to the Wifi ~~is~~^{is} a bit difficult, and sometimes the Wifi works sometimes not, but it's not annoying.
- The activities are great; there is a lot of choice; the visits are interesting; and the activities are really funny, and well organized.
- The teamleader (Kevin Wu), is openminded and kind. He helps you when you need^{it}, and in every situation. He's closed to everybody (and is very funny).

I just want to thank you for this great experience in Beijing with you; it was a pleasure and I'll start again for the third time,...
